

A still life composition featuring three lit candles in textured glass holders. The largest holder is a blue-tinted jar with a diamond pattern, sitting on a wooden slice. To its right is a smaller, clear glass holder with a similar pattern. In the background, a third holder is partially visible. To the left, a vase holds a bouquet of flowers, including pink chrysanthemums and red and white roses. The scene is warmly lit by the candles, creating a cozy atmosphere.

**HOUSE OF
INSPIRATION**

HOUSE OF INSPIRATION

ENJOY & BE INSPIRED

Gifting is all about showing appreciation. For your customers, for your business relations, or for your staff. With a carefully chosen gift you can show that you appreciate a person's efforts and that you value the relationship.

We want to inspire and help you with the selection of the perfect gift. That's why we keep thinking about how we can service you the best. Naturally with new products. And increasingly with products that are sustainable. Combined with our Perfectly Personal Gift services you can create a complete gift experience.

We invite you to discover our brand new products for lots of End of Year themes like Dinner Time and Cosy Winter!

A photograph of a dining table set with four red wine glasses. The glasses are arranged in a row, with the second one from the left partially filled with red wine. In the foreground, there is a wooden cutting board with cheese and grapes, and a loaf of bread. The background features a blue tablecloth and a vase of dried flowers.

WHAT IS ANC?

Active Noise Cancellation (ANC) uses sound to minimize other sounds, active noise is designed to counteract problem noise-causing both noises to effectively cancel each other out so you don't hear surrounding sounds.
